Hi Mark,

In LRB-1951/P1, could you adjust the phrase "Updates on nontraditional broadband technologies" to instead say "updates on emerging broadband technologies and how they can be used to provide broadband service to state residents"?

Hi Mark –

Could you make a couple of tweaks to the broadband report draft – in Section 9136 (b)2., could you change the word “ideas” to “recommendations” and in 3., could you change the word “solutions” to “proposals”?
