#. Regional crisis stabilization facilities for adults

This bill requires DHS to award grants to regional crisis stabilization facilities for adults based on criteria established by DHS. Current law requires certification by DHS in order to operate a youth crisis stabilization facility, which is a facility designed to prevent or de-escalate the minor's mental health crisis and avoid admission of the minor to a more restrictive setting.

For further information see the *state* fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

2 SECTION 1. 20.435 (5) (dg) of the statutes is created to read:

3 20.435 (5) (dg) *Regional crisis stabilization facilities.* The amounts in the
4 schedule to provide grants to regional crisis stabilization facilities under s. 51.03 (7).

****NOTE: This SECTION involves a change in an appropriation that must be reflected in the revised schedule in s. 20.005, stats.

1 **SECTION 2.** 51.03 (7) of the statutes is created to read:

2 51.03 (7) From the appropriation under s. 20.435 (5) (dg), the department shall
3 awards grants to regional crisis stabilization facilities for adults. The department
4 shall establish criteria for a regional crisis stabilization facility to receive a grant
5 under this subsection.

****NOTE: Currently, this draft requires DHS to awards grants. Instead, do you want to allow DHS to award grants?

Nathan,

Sorry about the typos. I will fix the grammar, but the point of my note was do you want to require or allow DHS to award grants, which was lost in my grammar.

Hey Tami –

For 2074 (regional crisis facilities) we intended that the /P1 would be the version that is included in the bill and didn't realize that the software always pulls the latest version no matter what's marked in/out. If there is time, we'd like the /P1 drafted as a /P3 and included in the bill. If there is insufficient time, the current language works, its not the preferred language but is not counter to the intent. Please let us know either way.

Thanks so much,
Cindy
