Good afternoon Joe,

The base amount that we used for our calculation is \$753,075,715. Base x 1.02= \$768,137,229-\$5 million= \$763,137,299  
New total

We prefer our numbers if you have no objection. I know it's a very small difference.

John,

For the last draft, I used \$753,075,700 as the base amount and increased that by 1 percent to get \$760,606,457.

If I use the same base and increase that by 2 percent I get \$768,137,214. Is that the number you want to use?

Joe – we need critical one word change to LRB Draft Number 19-2188\_P3, which provides the 2% increase to county and municipal aid payments.

Page 2, line 19 --- replace the word “multiplied” with the word “increased” so that we provide 2012 amounts increased by 2% as intended.

Alternatively, we could state “multiplied by 1.02.” rather than “multiplied by 2 percent” and the end of line 19.
