in this state for at least three years following the first day of attending a high school in Wisconsin or immediately preceding receipt of a declaration of equivalency of high school graduation; and (c) the person enrolls in an institution and provides that institution with proof that the person has filed or will file an application for a permanent resident visa with U.S. Citizenship and Immigration Services as soon as the person is eligible to do so. Specify that this provision would first apply to persons who enroll for the semester or session following the effective date of the bill.

Current law allows the Board of Regents to charge different tuition rates to resident and nonresident students. Current law also includes nonresident tuition exemptions, under which certain nonresident students pay resident tuition rates. The bill would create an additional nonresident tuition exemption for a person who is not a legal permanent resident of the United States and who meets the criteria specified in the bill.

[Bill Sections: 364 and 9347(2)]

440: 14-25

1138: 7-9

11. SUPPLEMENTAL PAY PLAN AND PERFORMANCE

Governor: Specify that, during the 2019-21 biennium, the Board of Regents may provide supplemental pay plans, in addition to the 2019-21 state compensation plan, for all of its employees, other than employees assigned to UW-Madison. In addition, specify that, during the 2019-21 biennium, the Chancellor of UW-Madison may provide supplemental pay plans, in addition to the 2019-21 state compensation plan, for all employees assigned to UW-Madison. Require the Chancellor to submit the supplemental pay plans to the Board of Regents and implement them only with the approval of the Board. Further, prohibit the Board from requesting supplemental funding to pay the costs of the supplemental pay plans, and prohibit the Board from requesting any funding of increases in salary and fringe benefit costs provided in these plans through the UW System agency budget request. Additionally, specify that, for each fiscal year of the 2019-21 biennium, instead of allocating \$26,250,000 for performance based funding, the Board of Regents may allocate all or a portion of that amount to fund the supplemental pay plans allowed under the bill. If the Board allocates a portion of that amount for supplemental pay plans, the Board is required to allocate the remainder to distribute to institutions under the performance based formula. The \$26,250,000 GPR for performance based funding is included in the annual base budget of the UW System.

[Bill Section: 9147(2)]

12. PERFORMANCE FUNDING ALLOCATIONS

Governor: Modify the current performance funding program to provide that any university, including any branch campus associated with the university as a result of the UW system restructuring, any operational unit of the UW-Madison assigned former functions of the UW-Extension as a result of the system restructuring, and any operational unit of System Administration assigned former functions of the UW-Extension as a result of the system restructuring are included as "institutions" for the purposes of the allocation of performance funding. Define "system restructuring" as the system's restructuring plan approved by the Higher

for the course, if any. Require the State Superintendent to develop guidelines to assist school districts and participating private schools in making these determinations, in cooperation with the WTCS System Board and the district boards. Require the school board or governing body to notify the student of its determinations, in writing, before the beginning of the semester in which the student will be enrolled. Provide that a public school student may appeal a school board's decision to the State Superintendent within 30 days after the decision, and that the State Superintendent's decision would be final and not subject to review under current law governing administrative actions and judicial review. Provide that a student attending a participating private school may appeal the decision to the governing body of the private school within 30 days after the decision.

Require each district board to implement the program no later than 30 days after the effective date of the bill. If the district board has already received payments of fees under the current law program for the first semester beginning after the effective date of the bill, require the district board to refund all such fees received.

Under current law, juniors and seniors enrolled in a public high school may take technical college courses under a dual enrollment program specific to WTCS. Under the program, a student does not pay for a college course if the district determines the course qualifies for high school credit and is not comparable to a course offered in the district. If approved by the district, the student can receive both high school and college credit upon successful completion of the course.

[Bill Sections: 375 thru 379, 381, and 384]

5. NONRESIDENT TUITION EXEMPTION FOR UNDOCUMENTED INDIVIDUALS

Governor: Specify that a person who is a citizen of a country other than the United States would be considered a resident of Wisconsin for the purposes of technical college admission and tuition if he or she meets all of the following requirements: (a) the person graduated from a high school in this state or received a declaration of equivalency of high school graduation from this state; (b) the person was continuously present in this state for at least three years following the first day of attending a high school in this state or immediately preceding receipt of a declaration of equivalency of high school graduation; and (c) the person enrolls in a technical college district school and provides the district board with proof that the person has filed or will file an application for a permanent resident visa with U.S. Citizenship and Immigration Services as soon as the person is eligible to do so. Specify that this provision would first apply to individuals who enroll for the semester or session following the effective date of the bill.

[Bill Sections: 382 and 9342(2)]

448: 4-15 1137: 5-7

6. MODIFY STATUTORY REFERENCES TO INDIVIDUALS WITH DISABILITIES

Governor: Delete statutory references to "the handicapped," and instead use the term "individuals with disabilities" or "students with disabilities."

[Bill Sections: 374, 383, and 385]
