Hey Mark,

Can you make a p2, except only include section 1817r repeal of 196.491 (3m) (C) 3. This should be just the 3 year section. We can chat in the am, but I believe the rest is cleanup language that is not necessary.

Thanks,

James Fenley

PUBLIC SERVICE COMMISSION -- DEPARTMENTWIDE AND ENERGY PROGRAMS

Wholesale Merchant Plant Contract Limit

Motion:

Move to delete the three-year contract limit for sale of wholesale electricity on an ongoing and uninterrupted basis by a merchant plant that has a financial interest in a utility to that utility. Utilities would still be required to receive approval from the Commission to operate a wholesale merchant plant and the Commission would retain the authority to regulate sale of electricity by a wholesale merchant plant to a utility.

Note:

This motion would incorporate LRBb0271/P1.
