Subject: Yank Drafts

Good morning Erika,

I wanted to provide an update of Finance Committee proceedings relating to Tax Administration from yesterday. On paper #626, the Committee chose to take no action (Alternative 5), and also chose to take no action on items 2 and 3 on the Backpage (same as items 2 and 3 under Tax Administration in our summary document). As a result, when the budget bill is compiled, these actions will require yank drafts for items 2 and 3 to be removed from the bill.

Please let me know if you have any questions, and thanks a lot for your assistance.
