Subject: PSC Drafting

Hi Mark,

I'm touching base because Finance took action on our PSC papers yesterday and I need a few items drafted. Would you please pull these together?

Under Paper 610 - Broadband Expansion Grants they adopted Alternative A2a. It's my understanding this is what would need to change to accommodate that:

- Section 131 - yank
- Section 1823 - yank
- Section 9201 - this should be changed to reflect transfers of \$22,000,000 in each year of the biennium.

Under Paper 615 - Intervenor Compensation, they adopted Alternative 1c.

- Section 1812 - yank

This is all I have for PSC right now. They left the agency open, I believe because they plan to take up some motions later on, so I'll probably have something more for you once they do. Please let me know if you have questions?

Thanks,
Rory
