**Subject:** RE: FSET & CLTS motion question

Hi Tami,

I should have clarified that we do still need a CLTS draft to delete the requirement that DHS ensure services for children who are eligible and apply for CLTS. I think it was section 487 of the Governor's bill.

Thank you!

Alex

**Subject:** RE: FSET & CLTS motion question

Hi Tami,

Correct, in addition to retaining the requirement, the FSET item should include language on the report and the requirement that DHS can seek the release under 13.10.

At the Committee's request, the CLTS item should have no language. We'll just transfer the GPR to JFC and the FED to MA contracts when we do the file maintenance in Sharepoint.

Thanks!  
Alex

**Subject:** FSET & CLTS motion question

Alex,

On Motion 113, D. 3. regarding FSET required participation by able-bodied adults, I know I need draft language to eliminate the statutory changes in the budget. Do I also need language on the transfer to the JCF supplemental and required report on this one?

I have the same question on the CLTS (A. 9.) request. Do I need the supplemental language or just the FED language? I'm assuming the FED transfer to the MA contracts appropriation occurs upon approval of the committee, correct?

Tami
