8 (intro.) and amended to read:

9 59.69 (10) (ab) (intro.) In this subsection “~~noneconforming use~~”:

10 3. “Nonconforming use” means a use of land, a dwelling, or a building that
11 existed lawfully before the current zoning ordinance was enacted or amended, but
12 that does not conform with the use restrictions in the current ordinance.

13 **SECTION 760g.** 59.69 (10) (ab) 1. of the statutes is created to read:

14 59.69 (10) (ab) 1. “Contiguous” means sharing a common boundary or being
15 separated only by a waterway, section line, public road, private road, transportation
16 right-of-way, or utility right-of-way.

17 **SECTION 760k.** 59.69 (10) (ab) 1m. of the statutes is created to read:

18 59.69 (10) (ab) 1m. “Contiguous parcel” means any parcel of land, up to a
19 cumulative limit of 80 acres, that, as of January 1, 2001, is contiguous to and is
20 located in the same political subdivision as land on which a quarry existed lawfully
21 before the quarry became a nonconforming use, is under the common ownership,
22 leasehold, or control of the person who owns, leases, or controls the land on which the

1 quarry is located, and is shown to have been intended for quarry operations prior to
2 the effective date of the ordinance that rendered the use nonconforming. For
3 purposes of this subdivision, if the contiguous parcel of land was commonly owned,
4 leased, or controlled on January 1, 2001, there is a presumption that the contiguous
5 parcel of land was intended for quarry operations prior to the effective date of the
6 ordinance that rendered the use nonconforming.

7 **SECTION 760p.** 59.69 (10) (ab) 2. of the statutes is created to read:

8 59.69 (10) (ab) 2. "Nonconforming quarry site" means land on which a quarry
9 existed lawfully before the quarry became a nonconforming use, including any
10 contiguous parcel. The nonconforming status of any contiguous parcel shall be
11 subject to the requirement that, on a 5 year rolling average, 75 percent of the quarry
12 materials extracted from the contiguous parcel shall be used for
13 infrastructure-related projects, as determined by the quarry operator. If this 75
14 percent requirement is not met as to any contiguous parcel, the nonconforming
15 status of the contiguous parcel may be suspended. This definition does not preclude
16 a determination that a particular parcel of land is nonconforming under subd. 3. or
17 common law.

18 **SECTION 760t.** 59.69 (10) (ab) 4. of the statutes is created to read:

19 59.69 (10) (ab) 4. "Quarry" has the meaning given in s. 66.04135 (2) (c).

20 **SECTION 760w.** 59.69 (10) (ab) 5. of the statutes is created to read:

21 59.69 (10) (ab) 5. "Quarry operations" has the meaning given in s. 66.04135 (2)

22 (d).

23 **SECTION 760y.** 59.69 (10) (ap) of the statutes is created to read:

24 59.69 (10) (ap) Notwithstanding par. (am), an ordinance enacted under this
25 section may not prohibit the continued operation of a quarry at a nonconforming

1 quarry site. For purposes of this paragraph, the continued operation of a quarry
2 includes conducting quarry operations in an area of a nonconforming quarry site in
3 which quarry operations have not previously been conducted. Nothing in this section
4 shall be construed as modifying or limiting an operator's reclamation obligations
5 under a reclamation permit.

6 **SECTION 761c.** 60.61 (5) (ab) of the statutes is renumbered 60.61 (5) (ab) (intro.)
7 and amended to read:

8 60.61 (5) (ab) (intro.) In this subsection "~~noneonforming use~~";

9 2. "Nonconforming use" means a use of land, a dwelling, or a building that
10 existed lawfully before the current zoning ordinance was enacted or amended, but
11 that does not conform with the use restrictions in the current ordinance.

12 **SECTION 761e.** 60.61 (5) (ab) 1. of the statutes is created to read:

12 **“SECTION 777m.** 66.04135 of the statutes is created to read:

13 **66.04135 Quarries extracting certain nonmetallic minerals. (1)**
14 CONSTRUCTION. (a) Nothing in this section may be construed to affect the authority
15 of a political subdivision to regulate land use for a purpose other than quarry
16 operations.

17 (b) Nothing in this section may be construed to exempt a quarry from a
18 regulation of general applicability placed by a political subdivision that applies to
19 other property in the political subdivision that is not a quarry unless the regulation
20 is inconsistent with this section.

21 **(2) DEFINITIONS.** In this section:

1 (a) "Permit" means a form of approval granted by a political subdivision for the
2 operation of a quarry.

3 (b) "Political subdivision" means a city, village, town, or county.

4 (c) "Quarry" means the surface area from which nonmetallic minerals,
5 including soil, clay, sand, gravel, and construction aggregate, that are used primarily
6 for a public works project or a private construction or transportation project are
7 extracted and processed.

8 (d) "Quarry operations" means the extraction and processing of minerals at a
9 quarry and all related activities, including blasting, vehicle and equipment access
10 to the quarry, and loading and hauling of material to and from the quarry.

11 (3) LIMITATIONS ON LOCAL REGULATION. (a) *Permits*. 1. Consistent with the
12 requirements and limitations in this subsection, except as provided in subd. 2., a
13 political subdivision may require a quarry operator to obtain a zoning or nonzoning
14 permit to conduct quarry operations.

15 2. A political subdivision may not require a quarry operator to obtain a zoning
16 or nonzoning permit to conduct quarry operations unless prior to the establishment
17 of quarry operations the political subdivision enacts an ordinance that requires the
18 permit. A political subdivision may not require a quarry operator to obtain a
19 nonzoning permit to conduct quarry operations if the quarry operation operates
20 under a previously issued zoning permit.

21 (b) *Applicability of local limit*. If a political subdivision enacts a nonzoning
22 ordinance regulating the operation of a quarry that was not in effect when quarry
23 operations began at a quarry, the limit does not apply to that quarry or to land that
24 is contiguous, as defined in s. 59.69 (10) (ab) 1., to the land on which the quarry is
25 located, is under the common ownership, leasehold, or control of the person who

1 owns, leases, or controls the land on which the quarry is located, and is located in the
2 same political subdivision.

3 (c) *Blasting*. 1. In this paragraph, “affected area” means an area within a
4 certain radius of a blasting site that may be affected by a blasting operation, as
5 determined using a formula established by the department of safety and professional
6 services by rule that takes into account a scaled-distance factor and the weight of
7 explosives to be used.

8 2. Except as provided under subs. 3. and 4., a political subdivision may not
9 limit blasting at a quarry.

10 3. A political subdivision may require the operator of a quarry to do any of the
11 following:

12 a. Before beginning a blasting operation at the quarry, provide notice of the
13 blasting operation to each political subdivision in which any part of the quarry is
14 located and to owners of dwellings or other structures within the affected area.

15 b. Before beginning a blasting operation at the quarry, cause a 3rd party to
16 conduct a building survey of any dwellings or other structures within the affected
17 area.

18 c. Before beginning a blasting operation at the quarry, cause a 3rd party to
19 conduct a survey of and test any wells within the affected area.

20 d. Provide evidence of insurance to each political subdivision in which any part
21 of the quarry is located.

22 e. Provide copies of blasting logs to each political subdivision in which any part
23 of the quarry is located.

24 f. Provide maps of the affected area to each political subdivision in which any
25 part of the quarry is located.

1 g. Provide copies of any reports submitted to the department of safety and
2 professional services relating to blasting at the quarry.

3 4. A political subdivision may suspend a permit for a violation of the
4 requirements under s. 101.15 relating to blasting and rules promulgated by the
5 department of safety and professional services under s. 101.15 (2) (e) relating to
6 blasting only if the department of safety and professional services determines that
7 a violation of the requirements or rules has occurred and only for the duration of the
8 violation as determined by the department of safety and professional services.

9 (d) *Water quality or quantity.* 1. Except as provided under subds. 2. to 5., a
10 political subdivision may not do any of the following with respect to the operation of
11 a quarry:

12 a. Establish or enforce a water quality standard.

13 b. Issue permits, including permits for discharges to the waters of the state, or
14 any other form of approval related to water quality or quantity.

15 c. Impose any restriction related to water quality or quantity.

16 d. Impose any requirements related to monitoring of water quality or quantity.

17 2. A political subdivision may take actions related to water quality that are
18 specifically required or authorized by state law.

19 3. A political subdivision may require the operator of a quarry to conduct and
20 provide water quality and quantity baseline testing and ongoing quality testing, to
21 occur not more frequently than annually, of all wells within 1,000 feet of the
22 perimeter of a quarry site when a new high capacity well is added to an existing
23 quarry site or a new quarry site is established. A testing requirement under this
24 subdivision may not impose any standard that is more stringent than the standards
25 for groundwater quality required by rules promulgated by the department of natural

1 resources. The political subdivision may request a report of well testing results
2 within 30 days of the completion of testing, and the quarry operator shall provide the
3 results within that time. Any person offered the opportunity to have a well tested
4 under this subdivision but who knowingly refuses testing waives any claim against
5 a quarry operator related to the condition of the well if, within 90 days of the offer,
6 the quarry operator records with the register of deeds for the county in which the well
7 is located a written and sworn certification that the person refused the offer.

8 4. A political subdivision that imposes a requirement to conduct any ongoing
9 water quality or quantity testing of wells adjacent to an existing quarry prior to the
10 effective date of this subdivision [LRB inserts date], may continue to do so.

11 5. In addition to the ability to enforce properly adopted local regulations as
12 allowed by this section, a political subdivision may suspend a permit authorizing the
13 operation of a quarry for a violation of state law or rules promulgated by the
14 department of natural resources relating to water quality or quantity only if the
15 department of natural resources determines that a violation of state law or rules has
16 occurred and only for the duration of the violation, as determined by the department
17 of natural resources.

18 (e) *Air quality.* 1. Notwithstanding s. 285.73, and except as provided under
19 subs. 2. to 4., a political subdivision may not do any of the following with respect to
20 the operation of a quarry:

21 a. Establish or enforce an ambient air quality standard, standard of
22 performance for new stationary sources, or other emission limitation related to air
23 quality.

24 b. Issue permits or any other form of approval related to air quality.

25 c. Impose any restriction related to air quality.

1 d. Impose any requirement related to monitoring air quality.

2 2. A political subdivision may require the operator of a quarry to use best
3 management practices to limit off-site fugitive dust and may enforce properly
4 adopted fugitive dust regulations.

5 3. A political subdivision may take actions related to air quality that are
6 specifically required or authorized by state law.

7 4. In addition to the ability to enforce properly adopted local regulations as
8 allowed by this section, a political subdivision may suspend a permit authorizing the
9 operation of a quarry for a violation of state law or rules promulgated by the
10 department of natural resources relating to air quality only if the department of
11 natural resources determines that a violation of state law or rules has occurred and
12 only for the duration of the violation, as determined by the department of natural
13 resources.

14 (f) *Quarry permit requirements.* 1. A political subdivision may not add a
15 condition to a permit during the duration of the permit unless the permit holder
16 consents.

17 2. If a political subdivision requires a quarry to comply with another political
18 subdivision's ordinance as a condition for obtaining a permit, the political
19 subdivision that grants the permit may not require the quarry operator to comply
20 with a provision of the other political subdivision's ordinance that is enacted after the
21 permit is granted and while the permit is in effect.

22 3. a. A town may not require, as a condition for granting a permit to a quarry
23 operator, that the quarry operator satisfy a condition that a county requires in order
24 to grant a permit that is imposed by a county ordinance enacted after the county
25 grants a permit to the quarry operator.

1 b. A county may not require, as a condition for granting a permit to a quarry
2 operator, that the quarry operator satisfy a condition that a town requires in order
3 to grant a permit that is imposed by a town ordinance enacted after the town grants
4 a permit to the quarry operator.”.
