Bonding one is LRBb0529, which we prepared for tad. I'll send you a copy.

Auditors and DOA broadband are included in LRBb0532, which you have. Changes are found in Items, 41, 52, and 53.

What was nitrate testing one?

Hi Rick,
I seem to be missing drafts on the Working Families credit (was that included with medical expenses deduction?), auditors, nitrate testing program, and the DOA broadband transfer re-arrangement. Also, is there a draft for the bonding amounts change? If you have those can you send them over. Thanks.
