Subject: Budget Drafting

Rick and Cathlene,

Per my conversation with Rick earlier today, attached is what we would like to get started on drafting for the budget bill consideration. We would like three simple amendments drafted (as P drafts for now) to AB 56 that essentially surround three issues: environment, healthcare, education. I have divided the spreadsheet into three different worksheets on those topics.

I tried to indicate where the items are found in various publications ("Location"), as well as what option we would like from LFB's alternatives in order to hopefully help ease drafting for your team. In case I have mistyped anything and anyone is confused, the default would be to go with whatever the Governor's recommendation was for each listed item.

Please let me know as questions arise and we can work through them.

Thank you for all your hard work,

Mark Bender

Fern,

Yes, we want the Governor's budget drafted as an amendment. However, looking back it looks like there were some things I left out of the spreadsheet. I have included them below. You can also look at Motion #95 from Joint Finance which should contain everything we want.

For instance:

Bilingual - Bicultural Aids	DPI-Categorical Aids	#572- 1a, 2a
After-School and Out of School Time	DPI-Categorical Aids	#573- 1
Milwaukee Mathematics Partnership	DPI-Categorical Aids	#574-1
Personal Electronic Computing Device	DPI-Categorical Aids	#576-1a, 2a
Urban School Districts	DPI-Categorical Aids	#577- 1a
School Breakfast and Milk	DPI-Categorical Aids	#578-1d, 2b
Delete School Performance	DPI-Categorical Aids	#579- 1a, 2a
Gifted and Talented Grants	DPI-Categorical Aids	#581- 1a, 2a
Minority Teacher Grant Program	DPI-Categorical Aids	#582- 1

Krista,

All of mine for the Shilling compile are in two drafts: LRBb0443 and LRBb0478.

Mark will send you his LRB #s separately.

Both drafts contain a complete drafting file that can just be transferred over to the compile.

Thanks!

See the e-mail below from Sen. Shilling's office. The items under #3 appear to be higher education. The senator wants to add these things to the senate democrat amendment.

Hi Mark,

For item 66 of the education omnibus, UW Stevens Point Paper Science Program, the Joint Committee on Finance retained the governor's proposal, which appears as item 7. of JFC motion 102 (UW omnibus motion), linked here:

https://docs.legis.wisconsin.gov/misc/lfb/jfcmotions/2019/2019_05_28/002_university_of_wisconsin_system/001_omnibus_motion_102_modifies_all_university_of_wisconsin_system_papers_listed_below

Because this item is already covered (entirely) in the sub (ASA1 to AB56), is it OK if I omit it from the education package amendment draft?

Thanks.
