Hi Mark,

Thanks for checking. The intent is to change the identified members but preserve the language on lines 13-15.

Yes, that was missing a word.

Thanks.

I just want to make sure that you want to delete all the material on page 29, lines 9-15. By doing that, you would make the change you want for the study committee membership, but you would also delete the deadlines for the committee to begin and finish its work, which are on lines 13 to 15.

Also, it looks the new subd. 10. is missing a word, so I would revise it as follows:

10. One representative of a municipal electric utility appointed jointly by the speaker of the assembly and the senate majority leader.

Good morning,

Please begin a P-draft for the changes below that refer to LRB 1451, or AB 234 and LRB 3279. We believe more changes may be coming, so we'll keep the drafting open for now:

On page 27, line 13-14, strike "specifically required" and replace with "authorized".

On page 29, line 9-15 strike all and replace with:

8. Two representatives of the electric distribution community appointed jointly by the speaker of the assembly and the senate majority leader.
9. One representative of a cooperative association, appointed jointly by the speaker of the assembly and the senate majority leader.
10. One representative of a municipal electric appointed jointly by the speaker of the assembly and the senate majority leader.

Thanks and let us know if you have any questions or concerns.
