

## 2019 ASSEMBLY BILL 275

1     **AN ACT** *to renumber* 84.01 (33); and *to create* 84.01 (33) (bm) of the statutes;  
2           **relating to:** highway project design inventory for design-build projects.

---

### *Analysis by the Legislative Reference Bureau*

---

*The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:*

3           **SECTION 1.** 84.01 (33) of the statutes is renumbered 84.01 (33) (am).

4           **SECTION 2.** 84.01 (33) (bm) of the statutes is created to read:

5           84.01 (**33**) (bm) 1. In this paragraph, “design-build project” means a highway  
6     project for which architectural, surveying, engineering, construction, and related  
7     services are provided by a single contractor awarded by low bid or by best value.

8           2. The department shall maintain an inventory of not fewer than 5 highway  
9     projects suitable for selection as design-build projects. The department shall ensure  
10    that the projects included in the inventory under this paragraph are sufficiently

**ASSEMBLY BILL 275**

**SECTION 2**

1 developed to be selected as design-build projects. Before including a project in the  
2 inventory under this paragraph, the department shall ensure that any  
3 environmental assessment or environmental impact statement required under state  
4 or federal law for the project has been completed.
