Hi Marc-

As much as I like the bill draft, I'd rather it be a substitute amendment to SB 266.

Can I get that instead?

Thanks

7 subdivisions, the state, and Marquette University to pay health insurance
8 premiums, including on a limited retroactive basis, for survivors of a law
9 enforcement officer who dies in the line of duty and making an appropriation.

Analysis by the Legislative Reference Bureau

This bill requires a political subdivision (a city, village, town, or county), the state, the Board of Regents of the University of Wisconsin System (board), and Marquette University to pay health insurance premiums for the surviving spouse and dependent children of a law enforcement officer or emergency medical services practitioner who dies in the line of duty if the political subdivision, state, board, or university paid such premiums for the law enforcement officer or emergency medical services practitioner while he or she was employed by the political subdivision, state,

BILL

board, or university. The requirement does not apply to a surviving spouse who remarries or reaches the age of 65, or to a surviving child after he or she reaches the age of 26. Current law provides similar benefits to the surviving spouse and dependent children of a fire fighter who dies, or has died, in the line of duty if the municipality (city, village, or town) paid such premiums for the fire fighter while he or she was employed by the municipality.

Also, under the bill, if a political subdivision pays such health insurance premiums, the political subdivision must file a request for reimbursement for its costs with the Department of Revenue, which is required to provide reimbursement. The reimbursement payments are funded from county and municipal aid shared revenue by a reduction in each county's and municipality's shared revenue in proportion to each entity's share of the total distribution of shared revenue payments.

For further information see the *state and local* fiscal estimate, which will be printed as an appendix to this bill.
