### *Analysis by the Legislative Reference Bureau*

This bill makes the following changes to parental choice programs:

1. Under current law, a private school may accept applications from pupils to attend the private school under the statewide parental choice program for the following school year from February 1 to April 20. The bill changes the application period to begin on the first weekday in February and end on the third Thursday in April.
2. Under current law, a private school that receives applications from pupils for the statewide parental choice program must, no later than the May 1 immediately following the application period, report the number of applicants to the Department of Public Instruction so that DPI may determine whether a pupil participation limitation has been exceeded. The bill changes that reporting deadline to the first weekday in May.
3. Under current law, a private school participating in the Milwaukee Parental Choice Program, the Racine Parental Choice Program, or the statewide parental choice program must annually provide DPI with evidence that the private school

remains accredited for the current school year, including a letter from an accrediting entity that confirms that the private school is accredited by that entity as of the date of the letter. The bill requires that a private school must submit a “notice” from an accrediting entity, rather than a “letter.”

For further information see the *state* fiscal estimate, which will be printed as an appendix to this bill.
