16 pilot program under this section may provide in-person or Internet site-based
17 educational seminars and refresher courses provided to any participating
18 school-based provider who uses the consultation pilot program on a medically
19 appropriate topic within child psychiatry. These services are eligible for funding
20 from the department.

21 **(6)** An organization that provides consultation services through the
22 consultation pilot program under this section shall report to the department any
23 information as requested by the department.

24 **(7)** The department shall conduct annual surveys of participating
25 school-based providers who use the consultation pilot program under this section to

ASSEMBLY BILL 644

1 assess the amount of pediatric mental health care provided, self-perceived levels of
2 confidence in providing pediatric mental health services, and the satisfaction with
3 the consultations and the educational opportunities provided.

4 (8) By August 1, 2022, the department shall submit a report on the
5 school-based mental health consultation pilot program under this section to the
6 standing committees of the legislature with jurisdiction over health under s. 13.172
7 (3).

8 **SECTION 5. Fiscal changes.**
