TO SENATE BILL 252**

November 4, 2019 - Offered by JOINT COMMITTEE ON FINANCE.

1 **AN ACT relating to:** a flood risk reduction pilot project and making an
2 appropriation.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

3 **SECTION 1. Nonstatutory provisions.**

4 (1) FLOOD RISK REDUCTION PILOT PROJECT. In the 2019-21 fiscal biennium, the
5 department of natural resources shall allocate \$150,000 to Ashland County to
6 design, implement, and evaluate not more than three demonstration projects that
7 test natural flood risk reduction practices in that county. Project expenditures for
8 the moneys allocated may be used include engineering and design, materials,
9 construction, pre-construction and post-construction monitoring, and project
10 management. The department shall require Ashland County to submit to the
11 department a progress report summarizing the results to date of its demonstration

1 projects no later than June 30, 2021. The department shall submit to the legislature,
2 in the manner provided under section 13.172 (2), and to the division of emergency
3 management in the department of military affairs a report summarizing the results
4 of the demonstration projects and recommendations for how existing state policies
5 or funding streams could be adapted to create incentives to protect and restore
6 natural infrastructure and reduce floods.
