Subject: Circuit Court Judges draft

Can you please add Sawyer and Clark counties to the draft too (all counties only getting one additional circuit court branch)? I believe that would bring the list of counties to:

Calumet
Clark
Dunn
Jackson
Marathon
Polk
Sawyer
Vilas
Wood

Thank you!

Hi Melinda,

As promised, here's the feedback on 2124/P1:

- The December 1, 2020 certification date (page 4/section 11)... is that the latest date we can have so there is time to call a primary?
- Page 2 lines 9, 12, 18, 21, 24 – I think the dates should be 2021, not 2020, correct?
- Page 4 lines 10-17: instead of saying the county has established the infrastructure, is it possible to allow certification if the facilities will be completed in time for the new branch term commencing on August 1, 2021? (My thought process is I wouldn't want a county to lose out if facilities aren't completed by December 1, 2020 when the county has an extra 6-8 months to get the facilities ready.) If this change isn't possible, that's fine; just thinking of ways to give the county a little more breathing room

Please let me know if have any questions. Thanks!

Subject: 2124/P5 changes

Hi Melinda,

We were looking at the draft and found two points that need correction and clarification.

- ✓ 1. Page 3 line 24 and page 4 line 1, could you please insert 4/four just to clarify regarding the circuit court judge positions and court reporter positions?
2. Regarding December 1... In ch. 10 (10.06 I believe) the WEC needs to send a type A notice to county clerks no later than November 15... We'll need to account for that. Can we change that December 1 date to Nov, 15th? Or should we make it November 14th to be safe?

Always in a constant state of flux over here... that said, these requested changes will *not* be needed any earlier than noon on Friday, September 6th. If you have any questions, and when you send out the /p6, could you please include Tim Fiocchi from Sen. Petrowski's office on the distribution? I'll be out of the office... hopefully soon and next week... and have been working with Tim on this so he can help if needed.

Thank you and have a good Labor Day weekend!
