Hi Michael,

We've received a legislative request to edit the attached draft to delete the following text:

On page 2, lines 9 and 10: "further specified by the applicable credentialing board"

And instead insert the following text:

"60 days after the end of the period covered by the public health emergency declared on March 12, 2020, by executive order 72, including any extension under s. 323.10."

Let me know if you have any questions. Thanks!
