Subject: draft for April 7 proposal

Hi Joe,

Can you draft a change to the Board of Review timeline under 70.47 to allow Boards of Review to notice an adjournment, rather than meet and then adjourn? We received this suggested language from DOR, that would create a subsection under 70.47(3)(aL):

(aL)(g) If the 2020 assessment roll is not completed at the time during the 45-day period beginning on the 4th Monday of April, the board shall publish a class 1 notice under ch. 985 and proceed under sub. (2) when the roll is complete.

This would be a draft for the GOP April 7 proposal. Let me know if you need anything else or have any questions, happy to try and clarify if needed.

Thanks,
Noga

Board of review meeting

Under current law, a town, city, or village annually convenes a meeting of the board of review to hear objections to local assessments. The board must meet during the 45-day period beginning on the fourth Monday in April, but no sooner than seven days after the last day on which the property tax assessment roll is open for public examination. If the assessment roll is not complete in time for the board's first meeting, the board meets, but adjourns until the roll is complete. Under the bill, if the 2020 assessment roll is not complete in time for the board's first meeting, the board is not required to meet until after the roll is complete.

Annual town meeting

Under current law, a town is required to hold an annual town meeting. The town meeting must be held on the third Tuesday of April, except that the town may set another date within ten days after the third Tuesday of April. This bill allows a town board or, if the town board is unable to promptly meet, the town chair to

Further, specify that for the 2020 assessment roll, regardless of whether the roll is complete at the time of the 45-day period beginning on the 4th Monday in April, the Board of Review could post a Class 1 notice that the Board has adjourned and will proceed as required under current law when the roll is complete.
