Eligibility for local fair aids

This bill modifies the eligibility requirements for agricultural societies, boards, and associations to receive local fair aid provided by the Department of Agriculture, Trade and Consumer Protection. To remain eligible for local fair aid from DATCP, current law requires local agricultural societies, boards, and associations to operate a fair each year. The bill allows agricultural societies, boards, and associations to remain eligible for local fair aid if a local fair is not held during 2020 because of the public health emergency declared on March 12, 2020, by executive order 72.

For further information see the ***state and local*** fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

2 **SECTION 1. Nonstatutory provisions.**

3 (1) **ELIGIBILITY FOR LOCAL FAIR AIDS.** Notwithstanding s. 93.23 (1) (c), each
4 agricultural society, board, or association that received aid under s. 93.23 in 1950

SECTION 1

1 shall continue to remain eligible for aid if a fair operated by the society, board, or
2 association is not held during 2020 because of the public health emergency declared
3 on March 12, 2020, by executive order 72.
