Assumptions Used in Arriving at Fiscal Estimate

Under the bill, beginning July 1, 2020, and continuing through June 30, 2021, the Legislative Audit Bureau shall use risk-based criteria to review selected programs affected by the bill and selected expenditures made with funds authorized by the bill and report the results of its reviews at least quarterly to the Chief Clerk of each house of the Legislature and to the Joint Legislative Audit Committee.

It is difficult to accurately estimate the costs of conducting these reviews until planning and scheduling work is completed to determine the scope. It is likely that conducting these reviews would reduce the flexibility of the Joint Legislative Audit Committee to direct the Bureau to complete other audits and evaluations.
