Fiscal Estimate Narratives

DATCP 5/8/2019

LRB Number 19-2151/1	Introduction Number AB-0186	Estimate Type Original
Description allowing minors to operate temporary stands without a permit or license		

Assumptions Used in Arriving at Fiscal Estimate

Under this bill, a place used for preparing food for sale at a stand operated by a minor does not need a food processing plant license from the Department of Agriculture, Trade and Consumer Protection (DATCP) and also a stand operated by a minor does not need a retail food establishment license. The bill defines when a stand operated by a minor would qualify for the exemptions.

DATCP is not able to determine the number of licensed retail food establishments and food processing plants that either are operated by a minor, or prepare food for a stand operated by a minor, and thus would become exempt under the bill. Therefore, DATCP is not able to determine the fiscal effect of the bill.
