

Fiscal Estimate Narratives

DOT 5/30/2019

LRB Number 19-2728/1	Introduction Number AB-0211	Estimate Type Original
Description records of certain offenses related to operating a motor vehicle with a prohibited blood alcohol concentration		

Assumptions Used in Arriving at Fiscal Estimate

As this bill does not require the individual to apply for an ignition interlock device (IID) restricted license, and the expungement would apply to court records and not driver records, this bill would have no impact on scheduling, hiring, or IT systems for the Department of Transportation.

Long-Range Fiscal Implications

None.
