

Fiscal Estimate Narratives
DATCP 7/9/2019

LRB Number 19-3110/1	Introduction Number AB-0229	Estimate Type Original
Description creation of a Joint Committee on State Mandates and required funding of state mandates		

Assumptions Used in Arriving at Fiscal Estimate

This bill creates a legislative Joint Committee on State Mandates which requires any bill placing a statutory requirement on a local government must be referred to the committee and the bill may not be considered further until the committee submits a report or 30 days have lapsed. The bill also states a state agency may not promulgate a rule or take an action that imposes a mandate unless there is a sufficient amount to fund the local government for costs attributed to the mandate.

The bill may create additional work for the Department when promulgating a rule and may be a deciding factor if to proceed through the rule making process when implementing federal regulations. Therefore the fiscal effect of the bill is indeterminate.
