Description use of formerly submerged land in the city of Racine		

Assumptions Used in Arriving at Fiscal Estimate

The bill expands the authorized use of 3 parcels of lakebed that were conveyed by the state to the City of Racine to include any public or public-private use project as well as the development of a hotel at a specified location.

The Department would incur an indeterminate amount of staff time and associated costs to respond to public inquiries or to address enforcement issues related to the projects outlined in the bill.
