Description requirements for colleges when service member students are called into active duty		

Assumptions Used in Arriving at Fiscal Estimate

Current law provides certain protections to students who are called into state or federal active military service for more than 30 days. Under the proposed legislation, students will be provided the same protections already provided under current law for students who are called into active military service for any period, not just for 30 days or more.

Long-Range Fiscal Implications

WTSC estimates there would be no fiscal impact if the proposed legislation is enacted.
