Description state aid for the technical college system and making an appropriation		

Assumptions Used in Arriving at Fiscal Estimate

Assembly Bill 388 would decrease state aid to Wisconsin Technical Colleges in fiscal year 2019-20 by 500,000 dollars and would increase state aid in 2020-21 by 11.5 million dollars.

State aid is distributed through the statutory funding formula and outcomes based funding formula by the Wisconsin Technical College System Office to the 16 technical college districts across the state.

The proposed legislation would have no fiscal or administrative impact on the Wisconsin Technical College System Office.
