### Assumptions Used in Arriving at Fiscal Estimate

Under current Wisconsin law, taxpayers may donate to any of eight charitable checkoff funds listed in their individual income tax returns. The designated donation amount either increases the payment due at the time the return is filed or decreases the amount that is refunded to the taxpayer.

This bill creates an individual income tax charitable checkoff for the Fire Fighters Memorial Association. Prior to tax year 2015, Wisconsin had a temporary checkoff for the Wisconsin State Fire Fighters Memorial, Inc. that generated about \$27,600 per year on average during the last three years of its operation. It was discontinued based on a statute that requires the Department of Revenue to remove checkoffs that generate less than \$50,000 per year over the most recent three-year period.

Similar to other checkoffs, DOR is annually required to certify the total amount received from designations, the administrative costs, and the net amount remaining after deducting administrative costs. Because the designated donations increase the amount due or reduce the refund of the donor and a portion of the donations are used to cover the administrative costs of the department, the bill does not affect net tax revenue.
