Description creating a task force on native pollinator health					

Assumptions Used in Arriving at Fiscal Estimate

Among its provisions, the bill directs the Legislative Council staff to provide staff to assist the task force on native pollinator health, which is created by the bill, in the performance of its duties.

The Legislative Council staff anticipate the ability to absorb the cost of providing staff to the task force with minimal impact on the Legislative Council staff's ability to carry out existing duties.

Long-Range Fiscal Implications
