Assumptions Used in Arriving at Fiscal Estimate

This fiscal estimate is submitted by the Director of the State Prosecutors Office on behalf of Agency 475 – District Attorneys. This fiscal estimate is responsive only to the fiscal and resource effect of the proposed legislation on the District Attorney program.

This bill expands the acts for which a juvenile may be placed in the Serious Juvenile Offender Program (SJOP) or in a juvenile correctional facility or secured residential care center for children and youth under the Juvenile Justice Code.

Under current law, a juvenile who is 14 years of age or over and who has been adjudicated delinquent by the court assigned to exercise jurisdiction under the Juvenile Justice Code (juvenile court) for committing or conspiring to commit certain law violations may be placed in the SJOP. This bill expands the law violations for which a juvenile may be placed in the SJOP to include any act that would be a felony if committed by an adult.

Also under current law, if the juvenile court determines that placement in the SJOP is not appropriate, a finding that a juvenile has committed any of a number of law violations that would be felonies if committed by an adult is prima facie evidence that the juvenile is a danger to the public and in need of restrictive placement. Under current law such a juvenile may be placed in a juvenile correctional facility or a secured residential care center for children and youth. This bill expands the list of acts constituting prima facie evidence that the juvenile is a danger to the public and in need of restrictive placement to any act that would be a felony if committed by an adult.
