Description overtime pay for individuals employed at motion picture theaters					

Assumptions Used in Arriving at Fiscal Estimate

This bill amends and creates wording in s. 103.02 to require employers of motion picture theater employees to pay 1.5 times the regular rates for all hours worked in excess of 40 hours per week, and for hours worked on the 4th Thursday in November and December 25th.

If enacted, the Department of Workforce Development's Equal Rights Division does not anticipate a material increase in the number of complaints related to overtime. There would be one-time costs to revise the administrative rule relating to the statute (DWD 274). These costs are absorbable within the agency's operating budget.
