Fiscal Estimate Narratives

DHS 7/23/2019

LRB Number 19-1652/2	Introduction Number SB-300	Estimate Type Original
Description establishing a tick-borne disease study committee		

Assumptions Used in Arriving at Fiscal Estimate

This bill creates a Tick-borne Disease Study Committee consisting of the Secretary of Health Services, the Secretary of Natural Resources, the Commissioner of Insurance, and thirteen members appointed by the Governor. Under the bill, the Tick-borne Disease Study Committee will study issues involving awareness, prevention, surveillance, diagnosis, reporting, and treatment of Lyme disease and other tick-borne diseases and provide a report to the legislature within three years of the bill taking effect.

To meet the requirements of this bill, the Department of Health Services' representative on the Tick-borne Disease Study Committee could incur travel expenses depending on the location and frequency of the committee meetings. However, these costs would be minimal and could be absorbed within the Department.

Long-Range Fiscal Implications
