Description online clearinghouse of information for small businesses in Wisconsin		

Assumptions Used in Arriving at Fiscal Estimate

The bill requires the Department of Administration (DOA) to establish an Internet clearinghouse for information for small businesses. Among other information that must be included, the information relevant to the Department of Revenue (DOR) that clearinghouse must contain is information on the requirements for small businesses to pay any tax, fee, assessment, or other charge imposed by the state or local government. DOR must coordinate with DOA to publish the information.

DOR would be able to administer the provisions of the bill with current resources.
