

Fiscal Estimate Narratives

UWS 3/15/2019

LRB Number	19-0150/1	Introduction Number	SB-065	Estimate Type	Original
Description condemnation authority for recreational trails					

Assumptions Used in Arriving at Fiscal Estimate

This proposed bill would allow certain entities, such as a county board, village board, or the Department of Transportation, to use the power of condemnation to acquire land or interests in land for the purpose of establishing or extending recreational trails, bicycle ways or lanes, or pedestrian ways. Current law prohibits the exercise of condemnation power to acquire land or interests in land for those purposes.

In order to assess the fiscal impact of this proposed legislation, input was provided from the UW System Office of Capital Planning and Budget and the Office of General Counsel. There will not be a fiscal impact since statute 32.03(1) states that "The general power of condemnation... does not extend to property owned by the state..."
