LRB Number	19-5402/1	Introduction Number	SB-751	Estimate Type	Original
Description agency authority regarding public health emergencies and making an appropriation					

Assumptions Used in Arriving at Fiscal Estimate

This bill expands the definition of public health emergencies and the authorities of the Department of Health Services (DHS) to respond to public health emergencies and creates an appropriation.

While the department works closely with DHS during a public health emergency, this bill has no fiscal effect on Department of Military Affairs.

Long-Range Fiscal Implications
