Description acts for which a juvenile may be placed in correctional placement or the Serious Juvenile Offender Program					

Assumptions Used in Arriving at Fiscal Estimate

This bill expands the acts for which a juvenile may be placed in the Serious Juvenile Offender Program (SJOP) or in a juvenile correctional facility or secured residential care center for children and youth under the Juvenile Justice Code.

This bill does not create a new category of case to come before the circuit courts and will only impact cases already being brought. It also does not create new procedures that would require additional court hearings and resources. It could, however, increase the complexity of juvenile cases heard by the courts. It is expected that existing court staff could absorb any changes that result from this bill.

This bill may impact costs to counties for the services they provide for juveniles who are charged under the Juvenile Justice Code. An accurate estimate of the change in costs is impossible with the data available.
