RULING ON THE POINT OF ORDER

On Tuesday, January 22 (page 24 of the Assembly Journal), Representative Steineke rose to a point of order that Assembly Amendment 1 to Assembly Substitute Amendment 1 and Assembly Amendment 2 to Assembly Substitute Amendment 1 to **Assembly Bill 1** was not germane under Assembly Rule 54 (3)(f).

Speaker Pro Tempore August ruled the point of order **well taken**. The full text of the ruling by Speaker Pro Tempore August follows:

“Representative Steineke rose to the point of order that Assembly Amendment 1 to Assembly Substitute Amendment 1 to **Assembly Bill 1** was not properly before the body as it was non-germane under Assembly Rule 54 (3)f.

I find the point of order **well taken**.

Representative Shankland contended that the amendment was germane under Assembly Rule 54 (4)b because the amendment “accomplishes the same purpose in a different manner.”

This is not the case. The amendment sought to authorize the Governor to authorize the Attorney General to withdraw from a federal lawsuit challenging the Patient Protection and Affordable Care Act. While pre-existing conditions are certainly mentioned throughout ASA1 to AB1 as well as the Patient Protection and Affordable Care Act, simply withdrawing from the federal lawsuit does not in and of itself guarantee those protections in state law. The lawsuit could and likely would continue on as the State of Wisconsin is not the only plaintiff in the case. Therefore, simply withdrawing from the lawsuit does not accomplish the same purpose of ASA1 to AB1 in a different manner.

Further, ASA1 to AB1 does not refer to the specific lawsuit referred to in AA1. ASA1 deals specifically with under what terms an insurance provider may or may not decline coverage to an individual. No mention of any federal lawsuit is made and therefore AA1 to ASA1 to AB1 is clearly non-germane as it dramatically expands the scope of the bill.

Representative Steinke rose to the point of order that Assembly Amendment 2 to Assembly Substitute Amendment 1 to **Assembly Bill 1** was not properly before the body as it was non-germane under Assembly rule 54 (3)f.

I find the point of order **well taken**.

The Dean of the Assembly Representative Sinicki contended that the amendment was in fact germane because it dealt with topics such as prescription drug coverage and women’s healthcare coverage.

ASA1 to AB1 deals specifically with under what terms an insurance provider may or may not decline coverage to an individual. Nowhere in ASA1 to AB1 are the content of insurance plans mentioned. AA2 seeks to include what content must be included in insurance coverage, which is not the original intent of AB1 or ASA1 to AB1. Therefore, AA2 is clearly non-germane as it dramatically expands the scope of the bill.”
