State of Wisconsin

Office of the Governor

EXECUTIVE ORDER #67

Relating to the Creation of the Governor's Task Force on Student Debt

WHEREAS, nationally 45 million students owe approximately \$1.6 trillion in student loan debt;

WHEREAS, student debt disproportionately affects students of color, low-income students, first-generation college students, women, veterans, and seniors;

WHEREAS, the average amount of student loan debt held by former students increased by nearly 85 percent between 2006 and 2018;

WHEREAS, according to a study by The Institute for College Access & Success for the class of 2018, 64 percent of students in Wisconsin graduated with student loan debt and averaged \$31, 705 in student loan debt;

WHEREAS, one in five students in the United States are behind on their student loan payments;

WHEREAS, increasing tuition costs for students contributes not only to growing student loan debt, but personal debt more broadly as students rely on credit cards or other means to pay for tuition, housing, and other necessities while in school;

WHEREAS, 36 percent of college students in the United States say they have more than \$1,000 in credit card debt, and in 2019, credit card delinquency hit an eight-year high with more than eight percent of balances held by people ages 18 to 29 hitting serious delinquency after going more than 90 days overdue without payment;

WHEREAS, the consequences of student debt are not isolated to students as more families are taking on more debt to help their kids pay for school;

WHEREAS, in 2019, Parent PLUS Loan debt averaged \$25,600 with more than three million parents owing approximately \$88.9 billion in Parent PLUS Loans; and

WHEREAS, the financial burden of student debt has broad, adverse consequences for our state and our country's economies, including weakened spending and wealth accumulation, decreased home ownership, further entrenched income disparities, stifled entrepreneurship, and limitations on the ability of individuals to retire securely, among other negative effects.

NOW, THEREFORE, I, TONY EVERS, Governor of the State of Wisconsin, by the authority vested in me by the Constitution and the Laws of the State, including Section 14.019 of the Wisconsin Statutes, do hereby create the Governor's Task Force on Student Debt ("Task Force"), and order the following:
