The Honorable, the Senate:

The following bill(s), originating in the Senate, have been approved, signed and deposited in the office of the Secretary of State:

<u>Bill Number</u>	<u>Act Number</u>	<u>Date Approved</u>
Senate Bill 6	106	February 28, 2020
Senate Bill 50	108	February 28, 2020
Senate Bill 70	111	February 28, 2020
Senate Bill 819	104	February 28, 2020

Pursuant to s. 35.095 (1)(b), Wisconsin Statutes, the following 2019 Act(s) have been published:

<u>Act Number</u>	<u>Bill Number</u>	<u>Publication Date</u>
Wisconsin Act 104	819	February 29, 2020
Wisconsin Act 106	6	February 29, 2020
Wisconsin Act 108	50	February 29, 2020
Wisconsin Act 111	70	February 29, 2020

**State of Wisconsin
Office of the Governor**

February 28, 2020

The Honorable, the Senate:

I am vetoing 2019 **Senate Bill 613** in its entirety.

The bill specifies that in determining whether a “breach of the peace” occurs in the repossession of property (when undertaken without a judgement), only the action of the creditor and its authorized reposessor is to be considered and that any action by the customer, debtor, lessee or any bystander may not be considered. The bill also limits the liabilities of creditors, authorized repossessors, and independent contractors undertaking repossession of vehicles if they comply with all applicable requirements.

I am vetoing the bill because I object to excluding the conduct, actions or statements by a customer, debtor, lessee or any bystander in determining if a repossession occurs without a breach of the peace. Because some individuals, especially low-income individuals, move more frequently, they may not receive any of the notifications (including notice of a debtor’s potential courses of action) that state law requires prior to a repossession. As a result, the repossession

action itself may be an individual’s first knowledge of a pending repossession. Preventing individuals from having their objection receive legal weight denies them important protections, such as the right to a hearing. As a result, the bill could unjustly deprive vulnerable individuals of their vehicles and result in these individuals losing their employment if they cannot find other means of transportation. The risk that the bill creates for individuals who may unjustly have their vehicles repossessed does not outweigh any efficiencies in the repossession process that the bill is intended to create.

Respectfully submitted,
TONY EVERS
Governor
