**Prepared by:** Peggy Hurley, Staff Attorney

March 25, 2020

**2019 Wisconsin Act 135**  
[2019 Assembly Bill 522]

**Automatic Renewal of Contracts  
Involving Industrial Gases**

Under state law generally, no contract may be automatically renewed or extended without specific disclosures and notices of an upcoming renewal or extension. 2019 Wisconsin Act 135 exempts contracts for the supply of industrial, medical, or other gases, including for the lease, service, or use of equipment involved in supplying the gases, from those general requirements.

**Effective date:** March 5, 2020
