2019 Assembly Bill 441

**Assembly
Amendment 1**

2019 ASSEMBLY BILL 441

Assembly Bill 441 creates a categorical aid and appropriates \$2 million annually for a school district that agrees to share certain administrative positions with another school district, or with another local unit of government. A school district may receive a specified amount of aid for each type of shared administrative position for three years, and may receive 50 percent of the original amount for an additional two years.

If a school district is sharing positions with another school district, there must be a net reduction in administrative positions. If a school district is sharing positions with another local unit of government, there must be a net savings to the school district.

ASSEMBLY AMENDMENT 1

Assembly Amendment 1 adds “county” to the definition of local unit of government, which allows a school district that shares administrative positions with a county to be eligible for the aid created in the bill.

BILL HISTORY

Assembly Amendment 1 was offered by Representative Felzkowski on October 7, 2019. On October 29, 2019, the Assembly Committee on Education recommended adoption of Assembly Amendment 1 and passage of Assembly Bill 441, as amended, on votes of Ayes, 13; Noes, 0.
