AN ACT to create 20.455 (2) (hm) and 165.705 of the statutes; relating to: human trafficking awareness certifications for lodging establishments and making an appropriation.

Analysis by the Legislative Reference Bureau

This bill requires the Department of Justice to grant annual human trafficking awareness certifications to the operators of lodging establishments that provide human trafficking awareness training to certain employees, display a human trafficking awareness poster, and implement procedures for the reporting of suspected human trafficking. The bill defines a “lodging establishment” as a hotel, motel, inn, bed and breakfast establishment, or tourist rooming house.

The bill also requires DOJ to design a logotype to be used by lodging establishments granted the human trafficking awareness certification under the bill. Additionally, DOJ must use the receipts from the fees for obtaining a certification to investigate human trafficking crimes.

Under the bill, an owner, operator, or employee of a lodging establishment granted a certification is not liable for damages related to human trafficking carried out by a third party unless the owner, operator, or employee knowingly assists the human trafficking.
For further information see the state fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:
