AN ACT to amend 118.60 (2) (a) 8. and 119.23 (2) (a) 8. of the statutes; relating to: allowing private schools participating in a parental choice program to provide hours of direct pupil instruction virtually.

Analysis by the Legislative Reference Bureau

This bill requires the Department of Public Instruction to count hours of instruction that are offered virtually when a private school participating in a parental choice program is closed because of an emergency or inclement weather. Additionally, the bill specifically authorizes a private school participating in a parental choice program to provide hours of direct pupil instruction by providing instruction virtually or in another alternative setting if the method of providing the instruction applies to the entire school or an entire grade. Current law requires a private school participating in a parental choice program to provide at least 1,050 hours of direct pupil instruction in grades 1 to 6 and at least 1,137 hours of direct pupil instruction in grades 7 to 12.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:
