AN ACT to amend 40.22 (1), 40.22 (2m) (intro.), 40.22 (2r) (intro.) and 40.22 (3) (intro.); and to create 40.26 (6) (intro.), (a), (b) and (c) of the statutes; relating to: law enforcement and fire fighter annuitants in the Wisconsin Retirement System who are rehired by a participating employer and granting rule-making authority.

Analysis by the Legislative Reference Bureau

Under current law, if a Wisconsin Retirement System annuitant, or a disability annuitant who has attained his or her normal retirement date, is appointed to a position with a WRS-participating employer, or provides employee services to a WRS-participating employer in which he or she is expected to work at least two-thirds of what is considered full-time employment by the Department of Employee Trust Funds, the annuity must be suspended and no annuity payment is payable until after the participant again terminates covered employment.

This bill creates an exception to this requirement for an annuitant who retired from employment with a participating employer and who is subsequently rehired or provides employee services after retirement, if 1) the annuitant is a retired law enforcement officer or fire fighter; 2) at the time the person initially retires from covered employment with a participating employer, the person does not have an agreement with any participating employer to return to employment; and 3) the person elects to not become a participating employee at the time the person is rehired by a participating employer or enters into a contract to provide employee services.
after retirement. In other words, the bill allows an annuitant who was a law enforcement officer or fire fighter to return to work with an employer who participates in the WRS, and elect to not become a participating employee for purposes of the WRS, and instead continue to receive his or her annuity.

Because this bill relates to public employee retirement or pensions, it may be referred to the Joint Survey Committee on Retirement Systems for a report to be printed as an appendix to the bill.

For further information see the local fiscal estimate, which will be printed as an appendix to this bill.
