AN ACT to amend 345.24 (1) of the statutes; relating to: release of person after arrest for operating a motor vehicle while intoxicated.

Analysis by the Legislative Reference Bureau

Under current law, if a person is arrested for operating a motor vehicle while under the influence of an intoxicant or with a prohibited alcohol concentration, the person is taken into custody by a law enforcement officer. The arrested person may not be released until 12 hours have elapsed from the time of the arrest, or until a chemical test shows that the person has an alcohol concentration of 0.04 or less, except that the person may be released to a responsible adult at any time. This bill eliminates the option of releasing the person to a responsible adult.

For further information see the state and local fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:
