2019 ASSEMBLY BILL 185

April 25, 2019 – Introduced by Representatives HEBL, NEUBAUER, ANDERSON, BROSTOFF, CROWLEY, DOYLE, EMERSON, HESSELBEIN, OHNSTAD, SINICKI, SPREITZER, STUBBS, STUCK and C. TAYLOR, cosponsored by Senators HANSEN, WIRCH, LARSON and MILLER. Referred to Committee on Campaigns and Elections.

AN ACT to renumber and amend 5.10; to amend 7.70 (5) (b) and 7.75 (2); and to create 5.10 (2), 5.11 and 5.12 of the statutes; relating to: entering into an agreement among the states to elect the president of the United States by means of a national popular vote.

Analysis by the Legislative Reference Bureau

Currently, the names of the presidential electors do not appear on the ballot in this state. Instead, the names of the candidates for president and vice president appear on the ballot and each vote cast for one of the tickets is a vote for the presidential electors whose names are filed by their political party or, in the case of independent candidates, whose names are filed with the nomination papers of the candidates. After the winners of the presidential election in this state are determined, the presidential electors convene and cast their ballots for the candidates of the party who filed their names or for the independent candidates who filed their names.

This bill ratifies an agreement among the states which provides that if the agreement governs a particular presidential election, this state will certify the electors of the party, or in the case of independent candidates, the electors of the candidates, who win the national popular vote for president and vice president as the winning slate of presidential electors in this state. Under the agreement, the Elections Commission must certify to the other states the winners of the presidential and vice presidential vote in this state and must accept the determinations of the chief election officials of the other states in calculating the numbers of votes cast for...
the presidential and vice presidential candidates in their states. The agreement
governs the election of presidential electors in this state in any year in which the
agreement is, on July 20, in effect in states cumulatively possessing a majority of
electoral votes.

The people of the state of Wisconsin, represented in senate and assembly, do
enact as follows:

SECTION 1. 5.10 of the statutes is renumbered 5.10 (1) and amended to read:

5.10 (1) Although the names of the electors do not appear on the ballot and no
reference is made to them, a vote for the president and vice president named on the
ballot is a vote for the electors of the candidates for whom an elector’s vote is cast.
Under chs. 5 to 12, all references to the presidential election, the casting of votes and
the canvassing of votes for president, or for president and vice president, mean votes
for them through their pledged presidential electors, except that if the compact
under s. 5.11 governs the election of presidential electors, the references mean votes
for the presidential electors who represent the candidates.

SECTION 2. 5.10 (2) of the statutes is created to read:

5.10 (2) No later than August 1 of each year in which a president is to be elected,
the commission shall determine whether the compact under s. 5.11 governs the
election of presidential electors at that election in this state and shall promptly
publish a copy of its determination in the Wisconsin Administrative Register.

SECTION 3. 5.11 of the statutes is created to read:

5.11 Interstate compact on election of president and vice president.
AGREEMENT AMONG THE STATES TO ELECT THE PRESIDENT BY
NATIONAL POPULAR VOTE

(1) ARTICLE I — MEMBERSHIP. Any state of the United States and the District
of Columbia may become a member of this agreement by enacting this agreement.
(2) **Article II — Right of the People in Member States to Vote for President and Vice President.** Each member state shall conduct a statewide popular election for president and vice president of the United States.

(3) **Article III — Manner of Appointing Presidential Electors in Member States.** (a) Prior to the time set by law for the meeting and voting by the presidential electors, the chief election official of each member state shall determine the number of votes for each presidential slate in each state of the United States and in the District of Columbia in which votes have been cast in a statewide popular election and shall add such votes together to produce a “national popular vote total” for each presidential slate.

(b) The chief election official of each member state shall designate the presidential slate with the largest national popular vote total as the “national popular vote winner.”

(c) The presidential elector certifying official of each member state shall certify the appointment in that official’s own state of the elector slate nominated in that state in association with the national popular vote winner.

(d) At least 6 days before the day fixed by law for the meeting and voting by the presidential electors, each member state shall make a final determination of the number of popular votes cast in the state for each presidential slate and shall communicate an official statement of such determination within 24 hours to the chief election official of each other member state.

(e) The chief election official of each member state shall treat as conclusive an official statement containing the number of popular votes in a state for each presidential slate made by the day established by federal law for making a state’s final determination conclusive as to the counting of electoral votes by Congress.
(f) In event of a tie for the national popular vote winner, the presidential elector certifying official of each member state shall certify the appointment of the elector slate nominated in association with the presidential slate receiving the largest number of popular votes within that official’s own state.

(g) If, for any reason, the number of presidential electors nominated in a member state in association with the national popular vote winner is less than or greater than that state’s number of electoral votes, the presidential candidate on the presidential slate that has been designated as the national popular vote winner shall have the power to nominate the presidential electors for that state and that state’s presidential elector certifying official shall certify the appointment of such nominees. The chief election official of each member state shall immediately release to the public all vote counts or statements of votes as they are determined or obtained.

(h) This article shall govern the appointment of presidential electors in each member state in any year in which this agreement is, on July 20, in effect in states cumulatively possessing a majority of the electoral votes.

(4) Article IV — Other provisions. (a) This agreement shall take effect when states cumulatively possessing a majority of the electoral votes have enacted this agreement in substantially the same form, and the enactments by such states have taken effect in each state.

(b) Any member state may withdraw from this agreement, except that a withdrawal occurring 6 months or less before the end of a president’s term shall not become effective until a president or vice president shall have been qualified to serve the next term.

(c) The chief executive of each member state shall promptly notify the chief executive of all other states of when this agreement has been enacted and has taken
effect in that official’s state, when the state has withdrawn from this agreement, and
when this agreement takes effect generally.

(d) This agreement shall terminate if the electoral college is abolished.

(e) If any provision of this agreement is held invalid, the remaining provisions
shall not be affected.

(5) ARTICLE V — DEFINITIONS. For purposes of this agreement:
