AN ACT to repeal 15.197 (22m) and 146.695 (1) (a), (2), (3) and (5); to consolidate, renumber and amend 146.695 (1) (intro.) and (b); and to create 15.197 (22m) and 146.695 of the statutes; relating to: establishing a Palliative Care Council.

Analysis by the Legislative Reference Bureau

This bill establishes a Palliative Care Council within the Department of Health Services. Under the bill, DHS is required to establish a statewide palliative care consumer and professional information and education program and must make available on its Internet site information and resources regarding palliative care. The bill requires the council to consult with and advise DHS on matters related to the establishment, maintenance, operation, and outcome evaluation of the program established by DHS. The council must also consult with and advise DHS regarding 1) the impact palliative care has on families and the experiences of families that have used or had a family member use palliative care services; 2) establishing a system for identifying patients or residents who could benefit from palliative care and determining how to provide information about and facilitate access to appropriate palliative care services for patients or residents with serious illnesses; and 3) any other issues relating to palliative care arising through meetings or discussions, as the council determines appropriate, but not including physician-assisted suicide. The bill also requires the council to submit biennial reports providing its analysis regarding certain issues relating to palliative care, including the availability of palliative care, barriers to greater access to such care, and the impact of palliative
care on families that have experience with palliative care services. The council and DHS program sunset effective July 1, 2024.

For further information see the state fiscal estimate, which will be printed as an appendix to this bill.
