Analysis by the Legislative Reference Bureau
This bill requires a registered elector who has changed his or her name or address to complete a new voter registration. Under current law, if a registered elector changes his or her name, the elector must either provide notice of the change to the municipal clerk prior to election day or to the inspector at the polling place on election day. If notice is given to the inspector on election day, the inspector must notify the clerk of the elector’s name change when the election day materials are returned to the clerk's office. Under current law, an elector who has changed both his or her name and address must complete a new voter registration.

Under current law, a document used as proof of identification for voting purposes may not be sufficient to establish proof of residence for voter registration purposes. Conversely, several documents that an elector may use to establish residency, such as a bank statement or utility bill, are not sufficient as proof of identification for voting. In many instances, however, current law refers to an elector providing an “identifying document” as proof of residence. The bill replaces the term “identifying document” with “document” when used in conjunction with establishing
proof of residence to avoid voter confusion with regard to the documentation necessary to establish residency.

Current law allows an individual to use an unexpired driving receipt or an unexpired identification card receipt as proof of identification for voting purposes. Both documents include a photograph of the individual to whom the document is issued. An unexpired driving receipt is a temporary document that an individual may use as an operator’s license until such time that the individual receives his or her actual operator’s license. Similarly, an unexpired identification card receipt is a temporary document that the holder may use until he or she receives an actual identification card. The bill allows an individual to also use an unexpired driving receipt or an unexpired identification card receipt as proof of residence for voter registration purposes if the receipt has the individual’s current and complete name and address.

Current law authorizes the use of a paycheck for an elector to establish proof of residence for purposes of voter registration. The bill adds the authority to use a pay stub or pay statement.

The bill also specifies that a document provided as proof of residence for purposes of voter registration may be provided in electronic format.

Under current law, when the municipal clerk or the Elections Commission receives a valid registration form, either electronically or by mail, the registrant receives a letter or postcard that specifies the registrant’s ward, aldermanic district, if any, and polling place. The letter or postcard is also intended to verify the registrant’s address. The bill clarifies that the commission sends the letter or postcard.

For further information see the local fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

SECTION 1. 6.15 (2) (bm) of the statutes is amended to read:

6.15 (2) (bm) Except as authorized in s. 6.79 (7), when making application in person at the office of the municipal clerk, each applicant shall present proof of identification. If any document presented by the applicant is not proof of residence under s. 6.34, the applicant shall also present proof of residence under s. 6.34. The clerk shall verify that the name on the proof of identification presented by the elector conforms to the name on the elector’s application, shall verify that any photograph appearing on that document reasonably resembles the elector, and shall enter the
type of identifying document submitted by the elector as proof of residence, the name of the entity or institution that issued the identifying document, and, if the identifying document includes a number that applies only to the individual holding that document, the last 4 digits of that number on the application form. If the number on the identifying document submitted by the elector has 6 or fewer digits, the clerk shall enter only the last 2 digits of that number.

SECTION 2. 6.29 (2) (b) of the statutes is amended to read:

6.29 (2) (b) Upon the filing of the registration form required by this section, the municipal clerk or clerk’s agent under s. 6.33 (5) (b) shall enter the type of identifying document submitted by the elector as proof of residence, the name of the entity or institution that issued the identifying document, and, if the identifying document includes a number that applies only to the individual holding that document, the last 4 digits of that number on the registration form. If the number on the identifying document submitted by the elector has 6 or fewer digits, the clerk shall enter only the last 2 digits of that number. The municipal clerk or clerk’s agent under s. 6.33 (5) (b) shall issue a certificate containing the name and address of the elector addressed to the inspectors of the proper ward or election district directing that the elector be permitted to cast his or her vote if the elector complies with all requirements for voting at the polling place. The certificate shall be numbered serially, prepared in duplicate and one copy preserved in the office of the municipal clerk.

SECTION 3. 6.32 (4) of the statutes is amended to read:

6.32 (4) If the form is sufficient to accomplish registration and the commission or clerk has no reliable information to indicate that the proposed elector is not qualified, the commission or clerk shall enter the elector’s name on the registration
list and the commission shall transmit a 1st class letter or postcard to the registrant, specifying the elector’s ward or aldermanic district, or both, if any, and polling place. The letter or postcard shall be sent within 10 days of receipt of the form by the clerk. If the letter or postcard is returned, or if the commission or clerk is informed of a different address than the one specified by the elector, the commission or clerk shall change the status of the elector on the list from eligible to ineligible. The letter or postcard shall be marked in accordance with postal regulations to ensure that it will be returned to the commission or clerk if the elector does not reside at the address given on the letter or postcard.

SECTION 4. 6.33 (1) of the statutes is amended to read:

6.33 (1) The commission shall prescribe the format, size, and shape of registration forms. All nonelectronic forms shall be printed and each item of information shall be of uniform font size, as prescribed by the commission. Except as otherwise provided in this subsection, electronic forms shall contain the same information as nonelectronic forms. The municipal clerk shall supply sufficient forms to meet voter registration needs. The commission shall design the form to obtain from each elector information as to name; date; residence location; location of previous residence immediately before moving to current residence location; citizenship; date of birth; age; the number of a current and valid operator’s license issued to the elector under ch. 343 or the last 4 digits of the elector’s social security account number; whether the elector has resided within the ward or election district for the number of consecutive days specified in s. 6.02 (1); whether the elector has been convicted of a felony for which he or she has not been pardoned, and if so, whether the elector is incarcerated, or on parole, probation, or extended supervision; whether the elector is disqualified on any other ground from voting; and whether the
elector is currently registered to vote at any other location. The commission shall include on the nonelectronic form a space for the elector’s signature and on the electronic form the authorization specified under s. 6.30 (5). Below the space for the signature or authorization, respectively, the commission shall include the following statement: “Falsification of information on this form is punishable under Wisconsin law as a Class I felony.” The commission shall include on the form a space to enter the name of any inspector, municipal clerk, or deputy clerk under s. 6.55 (2) who obtains the form and a space for the inspector, clerk, or deputy clerk to sign his or her name, affirming that the inspector, clerk, or deputy clerk has accepted the form. The commission shall include on the form a space for entry of the ward and aldermanic district, if any, where the elector resides and any other information required to determine the offices and referenda for which the elector is certified to vote. The commission shall also include on the form a space where the clerk may record an indication of whether the form is received by mail or by electronic application, a space where the clerk shall record an indication of the type of identifying document submitted by the elector as proof of residence under s. 6.34 or an indication that the elector’s information in lieu of proof of residence was verified under s. 6.34 (2m), the name of the entity or institution that issued the identifying document, and, if the identifying document includes a number that applies only to the individual holding that document, that number. The commission shall also include on the form a space where the clerk, for any elector who possesses a valid voting identification card issued to the person under s. 6.47 (3), may record the identification serial number appearing on the voting identification card. Each county clerk shall obtain sufficient registration forms for completion by an elector who desires to register to vote at the office of the county clerk under s. 6.28 (4).
SECTION 5. 6.33 (2) (a) of the statutes is amended to read:

6.33 (2) (a) All information may be recorded by any person, except that the clerk shall record the ward and aldermanic district, if any, other geographic information under sub. (1), the indication of whether the registration is received by mail, and the type of identifying document submitted by the elector as proof of residence under s. 6.34. Except as provided in s. 6.30 (5), each elector shall sign his or her own name unless the elector is unable to sign his or her name due to physical disability. In such case, the elector may authorize another elector to sign the form on his or her behalf. If the elector so authorizes, the elector signing the form shall attest to a statement that the application is made upon request and by authorization of a named elector who is unable to sign the form due to physical disability.

SECTION 6. 6.34 (2) of the statutes is amended to read:

6.34 (2) Except as provided in sub. (2m), upon completion of a registration form prescribed under s. 6.33, each eligible elector who is required to register under s. 6.27, who is not a military elector or an overseas elector, shall provide an identifying document, which may be provided in electronic format, that establishes proof of residence under sub. (3). If the elector registered by mail or by electronic application, the identifying document may not be a residential lease.

SECTION 7. 6.34 (3) (a) (intro.) of the statutes is amended to read:

An indication of whether the elector was required under s. 6.34 to provide proof of residence and, if so, the type of identifying document submitted as proof of residence, the name of the entity or institution that issued the identifying document, and, if the identifying document included a number that applies only to the individual holding that document, up to the last 4 digits of that number. If the number on the identifying document submitted by the elector had 6 or fewer digits, the list under this paragraph may not contain more than the last 2 digits of that number.

SECTION 14. 6.36 (2) (a) of the statutes is amended to read:

6.36 (2) (a) Except as provided in par. (b), each registration list prepared for use as a poll list at a polling place or for purposes of canvassing absentee ballots at an election shall contain the full name and address of each registered elector; a blank column for the entry of the serial number of the electors when they vote or the poll
list number used by the municipal board of absentee ballot canvassers in canvassing absentee ballots; an indication next to the name of each elector for whom proof of residence under s. 6.34 is required; a space for entry of the type of and the name of the entity or institution that issued the identifying document submitted by the elector as proof of residence when proof of residence under s. 6.34 is required; a space for entry of the elector’s signature, or if another person signed the elector’s registration form for the elector by reason of the elector’s physical disability, the word “exempt”; and a form of certificate bearing the certification of the commission administrator stating that the list is a true and complete registration list of the municipality or the ward or wards for which the list is prepared. The commission shall, by rule, prescribe the space and location for entry of each elector’s signature on the poll list which shall provide for entry of the signature without changing the orientation of the poll list from the orientation used by the election officials.

SECTION 15. 6.36 (2) (c) of the statutes is amended to read:

6.36 (2) (c) The list shall contain, next to the name of each elector, an indication of whether proof of residence under s. 6.34 is required for the elector to be permitted to vote. If proof of residence is provided, the type of identifying document submitted by the elector and the name of the entity or institution that issued the identifying document, or an indication that the information provided by the elector in lieu of proof of residence was verified under s. 6.34 (2m), shall be entered on the list in the space provided. Except as provided in s. 6.34 (2m), proof of residence is required if the elector is not a military elector or an overseas elector and the elector registers by mail or by electronic application and has not previously voted in an election in this state.

SECTION 16. 6.55 (2) (b) of the statutes is amended to read:
6.55 (2) (b) Upon executing the registration form under par. (a), the elector shall provide proof of residence under s. 6.34. The signing by the elector executing the registration form shall be in the presence of the election registration official or inspector. Upon receipt of the registration form, the official or inspector shall enter both the type of identifying document submitted by the elector as proof of residence and the name of the entity or institution that issued the identifying document, and, if the identifying document includes a number that applies only to the individual holding that document, that number in the space provided on the form. The official or inspector shall then print his or her name on and sign the form, indicating that the official or inspector has accepted the form. Upon compliance with this procedure, the elector shall be permitted to cast his or her vote, if the elector complies with all other requirements for voting at the polling place.

SECTION 17. 6.55 (2) (c) 1. of the statutes is amended to read:

6.55 (2) (c) 1. As an alternative to registration at the polling place under pars. (a) and (b), the board of election commissioners, or the governing body of any municipality, may by resolution require a person who qualifies as an elector and who is not registered and desires to register on the day of an election to do so at another readily accessible location in the same building as the polling place serving the elector’s residence or at an alternate polling place assigned under s. 5.25 (5) (b), instead of at the polling place serving the elector’s residence. In such case, the municipal clerk shall prominently post a notice of the registration location at the polling place. An eligible elector who desires to register shall execute a registration form as prescribed under par. (a) and provide proof of residence as provided under s. 6.34. The signing by the person executing the registration form shall be in the presence of the municipal clerk, deputy clerk, or election registration official. Upon
receipt of the registration form, the municipal clerk, deputy clerk, or election
registration official shall enter the type of identifying document submitted by the
elector as proof of residence, the name of the entity or institution that issued the
identifying document, and, if the identifying document includes a number that
applies only to the individual holding that document, the last 4 digits of that number
in the space provided on the form. If the number on the identifying document
submitted by the elector has 6 or fewer digits, the clerk shall enter only the last 2
digits of that number. The municipal clerk, the deputy clerk, or the election
registration official shall then print his or her name and sign the form, indicating
that the clerk, deputy clerk, or official has accepted the form. Upon proper
completion of registration, the municipal clerk, deputy clerk, or election registration
official shall serially number the registration and give one copy to the person for
presentation at the polling place serving the person’s residence or an alternate
polling place assigned under s. 5.25 (5) (b).

SECTION 18. 6.55 (2) (d) of the statutes is amended to read:

6.55 (2) (d) A registered elector who has changed his or her name but resides
at the same address, and has not previously provided notice of the change to the
municipal clerk, shall notify the inspector of the change before voting. The inspector
shall then notify the municipal clerk at the time when materials are returned under
s. 6.56 (1). If an elector has changed both a name and address, the elector or address
shall register complete a new registration at the polling place or other registration
location under pars. (a) and (b).

SECTION 19. 6.79 (2) (d) of the statutes is amended to read:

6.79 (2) (d) If the poll list indicates that proof of residence under s. 6.34 is
required and the proof of identification document provided by the elector under par.
(a) does not constitute proof of residence under s. 6.34, the officials shall require the
elector to provide proof of residence. If proof of residence is provided, the officials
shall enter both the type of identifying document submitted as proof of residence and
the name of the entity or institution that issued the identifying document in the
space provided on the poll list and shall verify that the name and address on the
identifying document is the same as the name and address shown on the registration
list. If proof of residence is required and not provided, or if the elector does not
present proof of identification under par. (a), whenever required, the officials shall
offer the opportunity for the elector to vote under s. 6.97.

SECTION 20. 6.79 (4) of the statutes is amended to read:

6.79 (4) SUPPLEMENTAL INFORMATION. When any elector provides proof of
residence under s. 6.15, 6.29 or 6.55 (2), the election officials shall enter both the type
of identifying document provided and the name of the entity or institution that
issued the identifying document on the poll list, or separate list maintained under
sub. (2) (c). When any person offering to vote has been challenged and taken the oath,
following the person’s name on the poll list, the officials shall enter the word “Sworn”.

SECTION 21. 6.82 (1) (a) of the statutes is amended to read:

6.82 (1) (a) When any inspectors are informed that an eligible elector is at the
entrance to the polling place who as a result of disability is unable to enter the polling
place, they shall permit the elector to be assisted in marking a ballot by any
individual selected by the elector, except the elector’s employer or an agent of that
employer or an officer or agent of a labor organization which represents the elector.
Except as authorized in s. 6.79 (6) and (7), the individual selected by the elector shall
present to the inspectors proof of identification and, if the proof of identification does
not constitute proof of residence under s. 6.34, shall also provide proof of residence
under s. 6.34 for the assisted elector and all other information necessary for the elector to obtain a ballot under s. 6.79 (2). The inspectors shall verify that the name on the proof of identification presented by the person assisting the elector conforms to the elector’s name on the poll list or separate list, shall verify that any photograph appearing on that document reasonably resembles the elector, and shall enter both the type of identifying document submitted by the assisted elector as proof of residence and the name of the entity or institution that issued the identifying document in the space provided on the poll list or separate list. The inspectors shall then issue a ballot to the individual selected by the elector and shall accompany the individual to the polling place entrance where the assistance is to be given. If the ballot is a paper ballot, the assisting individual shall fold the ballot after the ballot is marked by the assisting individual. The assisting individual shall then immediately take the ballot into the polling place and give the ballot to an inspector. The inspector shall distinctly announce that he or she has “a ballot offered by ... (stating person’s name), an elector who, as a result of disability, is unable to enter the polling place without assistance”. The inspector shall then ask, “Does anyone object to the reception of this ballot?” If no objection is made, the inspectors shall record the elector’s name under s. 6.79 and deposit the ballot in the ballot box, and shall make a notation on the poll list: “Ballot received at poll entrance”.

SECTION 22. 6.88 (3) (a) of the statutes is amended to read:

6.88 (3) (a) Except in municipalities where absentee ballots are canvassed under s. 7.52, at any time between the opening and closing of the polls on election day, the inspectors shall, in the same room where votes are being cast, in such a manner that members of the public can hear and see the procedures, open the carrier envelope only, and announce the name of the absent elector or the identification
serial number of the absent elector if the elector has a confidential listing under s. 6.47 (2). When the inspectors find that the certification has been properly executed, the applicant is a qualified elector of the ward or election district, and the applicant has not voted in the election, they shall enter an indication on the poll list next to the applicant’s name indicating an absentee ballot is cast by the elector. They shall then open the envelope containing the ballot in a manner so as not to deface or destroy the certification thereon. The inspectors shall take out the ballot without unfolding it or permitting it to be unfolded or examined. Unless the ballot is cast under s. 6.95, the inspectors shall verify that the ballot has been endorsed by the issuing clerk. If the poll list indicates that proof of residence under s. 6.34 is required and proof of residence is enclosed, the inspectors shall enter both the type of identifying document submitted by the absent elector and the name of the entity or institution that issued the identifying document on the poll list in the space provided. If the poll list indicates that proof of residence under s. 6.34 is required and no proof of residence is enclosed or the name or address on the document that is provided is not the same as the name and address shown on the poll list, the inspectors shall proceed as provided under s. 6.97 (2). The inspectors shall then deposit the ballot into the proper ballot box and enter the absent elector’s name or voting number after his or her name on the poll list in the same manner as if the elector had been present and voted in person.
