
AN ACT to amend 118.40 (2r) (e) 2p. a. and 119.04 (1); and to create 20.255 (2)

(du) and 115.366 of the statutes; relating to: grants to support peer-to-peer suicide prevention programs in high schools, granting rule-making authority, and making an appropriation.

Analysis by the Legislative Reference Bureau

This bill requires the Department of Public Instruction to establish a competitive grant program to award grants for the purpose of supporting peer-to-peer suicide prevention programs in public, private, and tribal high schools. Under the bill, a grant may be awarded to support an existing peer-to-peer suicide prevention program or to implement a peer-to-peer suicide prevention program at a high school. However, for the purposes of awarding grants, the bill requires DPI to give a preference to applications to implement peer-to-peer suicide prevention programs.

Under the bill, for each high school for which a grant is awarded, DPI may award the governing body of the high school up to $1,000. The bill further specifies that DPI may renew a grant for an individual school for up to three additional school years.
For further information see the state and local fiscal estimate, which will be printed as an appendix to this bill.
